I am requesting that my Alteris program be re-registered for the reason stated above. I understand that the new registration information will appear exactly as I have indicated above. I understand that use of the Alteris software by more than one business or at more than one location is a violation of my software license agreement. By requesting this re-registration, and signing below, I confirm that my use of the Alteris software is not in violation of the software license. You need to send your control.dbf and sysreg.dbf files to NovaTek along with \$50.00. Once your reregistration is complete, they will be returned to you.
